Dear Sir I must beg you to forward Flour, as fast as possible, at any Price, send it directly to Camp, or we must Starve — I have been most shockingly Deceived about the quantity on Hand, & the Bad Price Flour, has thrown me into, a most miserable Situation, & shall be undone unless my Friends, exert themselves — I have not rec'd 20 Bbl of Flour from all Quarters, these 4 or 5 Weeks — & 100 Bbl going out every day, soon exhausts a large Store — Your Eastern Stop at their own Homes, with all the Flour you & Col Huntington have forwarded, & who they are & where to send to them I know not — pray exert yourself & speak to Col Huntington to do the same —

Our People Burnt all the Houses in & near Boston & at Charlestown, Last Monday Evening except 3 or 4 — & took a Serjt 5 Men & 1 Woman Prisoners — without any Loss — Majr Knowlton of Col Arnolds Comanded the Party —

I am Dear Sir Your most Humble Servt
